

Ricci Vincenzo is a PRM physician in the Physical and Rehabilitation Medicine Unit, Luigi Sacco University Hospital, ASST Fatebenefratelli-Sacco, Milan, Italy.

He has finished medical training in 2013 (University Cattolica del Sacro Cuore, Rome, Italy) and residency in PRM in 2019 (University of Bologna, Italy).

His main areas of interest include the diagnostic and interventional potentialities/applications of musculoskeletal and neuromuscular ultrasonography in Physical and Rehabilitation Medicine.

He is a member of the Italian Society of Physical and Rehabilitative Medicine (SIMFER) and a member of the Italian Society of Ultrasound in Medicine and Biology (SIUMB). He holds in 2019 the National Diploma of Competence in Musculoskeletal Ultrasound SIUMB (Italian Society of Ultrasound in Medicine and Biology).

He has authored more than 50 publications related to musculoskeletal/neuromuscular ultrasonography in international journals indexed by SCI/SCI-Exp (62 publications, 131 citations, *h*-index 6).

He has participated as technical editor to the textbook: *Ultrasound Imaging and Guidance for Musculoskeletal Interventions in PRM*, Milan (Italy), Edi Ermes, 2020.
